Daughters of Confederacy Meeting.

Friday afternoon the Daughters of the Confederacy were entertained by Mrs. Edward Badger at their regular monthly meeting.

After the routine business had been transacted the Daughters, with a committee from the Confederate Veterans' camp of this city, made arrangements for celebrating June the third, which will be observed as Decoration day. A dinner will be served to the Veterans by the Daughters, as has been their custom for a number of years and in the afternoon speeches, etc., will be made at the armory after which the graves of departed Veterans will be decorated.

Hon. Robert W. Davis will be invited to be the speaker of the day and Mr. Frank Harris will be invited to act as master of ceremonies. Mr. N. M. Allred will also be invited to make a speech on this occasion. The perfected arrangements and program will be announced later.

Before the meeting was concluded Mrs. Badger assisted by her three daughters Mrs. Green, Mrs. Moyers and Mrs. Eagleton served her guests delicious ice cream and cake.

GREATLY ALARMED

By a Persistent Cough, but Permanently Cured by Chamberlain's Cough Remedy.

Mr. H. P. Burbage, a student at law in Greenville, S. C., has been troubled for four or five years with a continuous cough which he says, "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Mr. Burbage, having seen Chamberlain's Cough Remedy advertised concluded to try it. Now read what he says of it: "I soon felt a remarkable change and after using two bottles of the twenty-five cent size, was permanently cured." Sold by Anti-Monopoly Drug Store.

Messrs. Liddon & Company Retire from Business.

A sale that has been in progress for some days was consummated yesterday, Messrs. C. A. Liddon & Company selling their livery and sale stables, including stock and real estate, to Messrs. Richard Hall and J. W. Crosby.

Mr. Crosby will be in charge of the business and assumed the management yesterday and will make noticeable changes and improvements.

Messrs. Hall and Crosby are well known turpentine operators and have an extensive business acquaintance and will spare no efforts in pleasing their customers and friends.

Messrs. C. A. Liddon of the firm of Liddon & Company is one of the oldest business men in Ocala and his son, Mr. Mallory Liddon has been a partner with him for a number of years and the public generally will regret their retirement from business. They have not yet determined upon their plans for the future but it is hoped that they will remain in the city and again engage in business.

Dr. Blitch Becomes a Citizen of Ocala.

Dr. S. H. Blitch, one of the best known physicians in Marion county, and who for many years has been the leading spirit of Blitchton, has decided to become a citizen of Ocala.

Friday he purchased the Bell place on Fort King avenue. This is one of the most desirable places in the city and we extend on behalf of the citizens of Ocala a cordial welcome to Dr. Blitch and his family.

Dr. Blitch has served his county in both branches of the state legislature and now holds a responsible position with the leases of the state convicts. He is an industrious man and active in all good works and makes an ideal citizen.

A Helpless Child.

A weak and puny child is badly handicapped in the battle of life. It is isolated from the healthy enjoyments of its little fellow-beings. It cannot partake either of their play or their study work and progress in the world; its whole life is embittered by incapacity and weakness.

Any woman who expects to become a mother ought to know what Dr. Pierce's Favorite Prescription will do both for her own health and safety during her time of trial and also to insure her in bequeathing a fair measure of health and strength to the prospective little one.

A Sample Letter.

PARKERSBURG, W. VA., May 4

To the Editor of the Ocala Banner.
If President Roosevelt's postmasters are strictly honest, you will find enclosed a silver certificate, calling for a silver dollar 16 to 1, the same as our government is coining today. Which you will apply to my subscription to the Ocala Banner.

Yours very truly,
W. P. MCKINNEY.

"My Sons,"

said a great business man, "are my partners and they need all the strength and courage I can give them," and he forthwith paid for a \$1,000,000 policy in The Mutual Life Insurance Company of New York. Not without the most careful investigation, however, extending over six months. He was convinced by just such facts as led the President of a National Bank in New York to make the curious and shrewd provision in his will, which is contained in "A Banker's Will." Write for it and also for the amount of the \$1,000,000 policy, "The Largest Annual Premiums."

Malaria

Is a veritable dragon of ill-health. It leaves in its path more physical wrecks than probably any other one disease peculiar to Americans.

WHY? Simply because upon the first indication of the malarial system is usually scourged with quinine, or that deadly mineral—calomel.

Don't Do It. It's Dangerous. It isn't at all necessary either. We positively guarantee

HERBINE

TO PREVENT AND PERMANENTLY CURE any form of malaria. It is purely herbal. Has all the virtues of quinine and calomel—none of their deadly effects. It cures all liver, kidney and stomach troubles. 50c per bottle. All Druggists.
